

CCH

a Wolters Kluwer business

COMPANY DESCRIPTION

CCH, a Wolters Kluwer business, is the professional's first choice for integrated tax, accounting and audit solutions. CCH is extending its leadership position in research and compliance by continually delivering comprehensive, integrated research and software solutions that provide a strategic business advantage to CPAs, corporate tax and accounting departments, and tax attorneys.

Headquartered in Riverwoods, Ill., CCH holds major market positions in the United States, Canada, and Asia Pacific. The company employs about 3,500 people, including a large team of tax, accounting and legal content experts; technology, development, product support, sales, consulting, and customer service professionals; and a news bureau in Washington, D.C. CCH also draws upon the expertise of outside, specialized authors and auditors who are leading authorities in their fields.

CCH'S RICH HISTORY

CCH has a long, distinguished history serving tax and accounting professionals with timely, authoritative and comprehensive solutions. CCH has been keeping professionals up-to-date on the twists and turns of the tax law since 1913, when the modern income tax was created. Over the years, CCH has reinforced its market leadership by providing trusted and innovative solutions to meet the changing needs of professionals, and delivering customer service excellence.

Customers can expect CCH, a Wolters Kluwer business, to leverage greater content, technology, resources and funding to deliver award-winning integrated workflow solutions to make them even more successful.

PRODUCTS

CCH's award-winning products provide professionals with a strategic advantage by allowing them to handle their day-to-day challenges more effectively, streamlining their workflow, and keeping them informed of the latest state, national and international tax developments. Our products include:

ProSystem fx® Office Software

- **ProSystem fx® Tax** is the industry's leading tax compliance system.
- **ProSystem fx® Document™** lets firms electronically store and retrieve documents.
- **ProSystem fx® Engagement** lets firms move towards true paperless engagements.
- **ProSystem fx® Practice Management** helps firms manage time and billing.
- **ProSystem fx® Site Builder** is a leading website solution.

Online Research Products

- **IntelliConnect™** is CCH's innovative, intuitive online research platform that provides fast, easy access to authoritative content and award-winning workflow tools.
- **Accounting Research Manager®** is the most timely, comprehensive online database of expert-written analytical accounting, auditing, governmental and SEC information.

Financial & Estate Planning Tools

- **CCH ViewPlan® Advanced™** is versatile software that lets practitioners graphically compare multiple estate planning scenarios and guide clients through various planning scenarios.
- **CCH® Estate Planning Expert Library™**, available exclusively on CCH® Tax Research NetWork™, is the indispensable research source for estate planning practitioners.

Audit Solutions

- **CCH® TeamMate** is the leading integrated

audit productivity software suite serving corporate internal audit departments and government agencies in 96 countries. Auditors worldwide use CCH TeamMate to increase the efficiency and productivity of the entire audit process including risk assessment, scheduling and timekeeping, workpaper preparation and review, report generation and audit issue tracking.

CorpSystem® Sales & Use Tax Solutions

- **CCH's CorpSystem Solutions** provide integrated sales tax solutions that streamline workflow and ensure timely and accurate tracking and reporting of sales and use tax rates. Key products include CorpSystem Sales Tax Load Utility, CorpSystem Sales Tax Online, CorpSystem ZIPSales Database, CorpSystem ZIPSales Lookup and CorpSystem Sales Tax Returns Online.

MARKETS SERVED

CCH information and solutions are relied upon by the IRS, the nation's federal courts and agencies, the nation's top CPA firms, and thousands of corporations worldwide. Our partners include leading corporations such as Microsoft® and Sage® Software, PricewaterhouseCoopers and BNA®.

Our customers include small, medium, and large accounting firms, and corporate tax and auditing departments that rely on our research, software, and workflow tools to help enhance their productivity and increase value to their clients.
